Luncheon Panel and Breakout Session

Friday Luncheon Keynote Panel: “Messaging Out-of-School Time”

MNSACA is pleased to partner with Youth Community Connections to bring you a luncheon keynote panel focusing on “Messaging Out-of-School Time.” This panel will examine the ways we can promote the OST message to our families, schools, legislators, and general public. We will be joined by Judy Nee (National AfterSchool Association), Janelle Cousino (Afterschool Alliance) and Glynis Shea (U of M). How can we frame the work we do to be effective? How do we communicate our message? How is the OST message being communicated nationally?
