

# Supporting Youth Success

The Promise of Expanded Learning Opportunities

## Small Group Framework Discussions

October 20, 2010

### Framework Questions

1. Does this framework accurately reflect where we want to move together?
2. Does the framework provide recommendations and strategies that you could adopt to better align and connect formal and non-formal learning opportunities within communities?
3. Does the framework compel you to act to better align and connect learning opportunities in communities?

The Promise of Expanded Learning Opportunities

## Facilitator Worksheet – Framework Discussion

October 20, 2010

*Planning team members will facilitate the discussions and take notes. Planning team members will probe for possible differences of opinions based on who they represent (formal, non-formal, administrators, funders, elected officials, etc)*

1. Does this framework accurately reflect where we want to move together?
2. Does the framework provide recommendations and strategies that you could adopt to better align and connect formal and non-formal learning opportunities within communities?
3. Does the framework compel you to act to better align and connect learning opportunities in communities?
